Letter from R.H.Ellis Esq., I.C.S., Collector of South Kanara.

R.O.C.No. 746/Sup. of 20-

Dated 17th May 1921.-

Subject- Exemption from operation of article 1056 of the C.S.R. for M.R.Ry. K.Raman Nayar Avargal, Deputy Collector on special duty for the settlement of the Mysore South Kanara Boundary and his staff.

While proceeding along the Mysore-South Kanara boundary the settlement party were obliged on account of the nature of the work to halt for more than 10 days at some places where there was much of line clearing to be done and where the line was a disputed one. According to article 1056 of the Civil Service Regulations daily allowance is not generally admissible for halts of more than 10 days at a place. I request therefore that the sanction of Government may be obtained to exempt

Mr.Raman Nayar and his staff from the operation of article 1056 of the Civil Service Regulations.

Reference.-

Submitted for the orders of Government and recommended.

2. The special work on which Mr.Raman Nayar was employed was ordered to be stopped in G.O. Mis.No. 1036 Revenue, dated 9th May 1921.

REVENUE DEPARTMENT.

SIR,

In returning herewith Board's Reference No. B. 1339/21-1 dated the 26th May 1921 referred to me for remarks with Government Endorsement No. 848 E/21-1 dated the 6th June 1921, I have the honour to state that there is no audit objection to Government exempting M.R.Ry - K. Raman Nayar, Avl. Deputy Collector on special duty for the settlement of the Mysore - South Kanara Boundary and his staff from the operation of Article 1056 of the Civil Service Regulations if they consider that prolonged halts are necessary in the interest of public service and entailed extra expense after the first ten days.

In this connection attention is invited to Rules 1, 3(1) and (111) under Article 1056 in the Madras Supplement

and

and with reference to Rule 3(1)(K), it is pointed out that it is open to Government to reduce the rate of daily allowance of the officer and his staff for halts in excess of 10 days so as to just cover the extra expenditure admitted as legitimate.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Accountant-General.

Board's reference No. B 1339/21-2, dated 16th July 1921- Mysore-South Kanara Boundary Settlement- Operation of Article 1056 C.S.R.-

The Special Deputy Collector and his staff do not appear to have halted in any camp for more than 10 days. Hence the question of exempting them from the operation of Article 1056 does not arise at present; but it might be necessary in the case of the Deputy Collector and staff to be employed in the next cold weather. I request therefore that sanction of Government may be obtained for the exemption of the Deputy Collector and the staff employed in connection with the Mysore-South Kanara Boundary Settlement from the operation of the Article.

2. Permission to draw Travelling Allowance and Daily Allowance at double the ordinary South Kanara rates for the Special Deputy Collector's establishment was sought for in my letter Ref.Sup.746/20, dated 20th January 1921 but no orders have yet been received. I request early orders may be obtained in the matter.

Reference:-

In the circumstances stated by the Collector in paragraph 1 of his letter read above, the Board suggests that no action is called for for the present on its Reference No. B.1339-21-1, dated 25th May '21

2. The Board requests that Government will be pleased to pass orders on paragraph 2 of its Reference No.B.169-21-1 dated 28th January 1921 and on its Reference No. B.586-21-1, dated 15th March 1921, regardin the grant of special travelling and daily allowances to the special officer and his staff.
